

Rock Creek Booster Club Minutes
September 10, 2008

The Rock Creek Booster Club convened at 6:00 p.m., September 10, 2008 in the Media Center at Rock Creek High School. The following members were present: Carrie Andrade, Amy Blackwood, Shelly Christenson, Jennifer Hill, Robin Knoblauch, Carolyn Myers, Eric Scott, Debbie Srna, Sue Yenzler and Roxie Zoeller. Scott Harshbarger and Julie Miller were also present.

Sue passed out copies of the Treasurer's report and minutes of the previous meeting.

Mr. Harshbarger thanked the members for their support of the students at Rock Creek and updated us on the athletic and academic happenings at RCJSHS.

Robin Knoblauch and Amy Blackwood updated the members on apparel sales. They have ordered t-shirts from GTM to have on hand and will also have apparel items (jackets, etc.) that can be special ordered. Last year's inventory was discussed. The apparel committee, if they feel it necessary, was given approval to reduce the price on last year's merchandise.

Carrie reported on the football meal scheduled for October 30. It was decided to serve a hamburger/cheeseburger meal. She has contacted April with Burger King to see if they would consider donating items as they have in the past (i.e., cheese, condiments, etc.). Barb O'Connor has volunteered to make desserts. Carrie sent out a sign-up to all members with the agenda for tonight's meeting.

Robin will handle Booster Club drawings at the home high school football games and Sue will handle the high school home volleyball games. One member will be drawn from the membership listing and will win a stadium blanket for the football drawings and a t-shirt and sling bag for the volleyball drawings.

Business booster ads for the programs were discussed. The programs for the first football game were printed early and the ads did not make the program. Carrie is working with the school to insure the ads make future programs.

The next Booster Club meeting will be held Wednesday, September 10th at 6:00 p.m. in the Media Center.

The Scholarship and Banquet Committees had nothing to report.

The varsity volleyball team requested assistance in the printing of a volleyball poster with the team picture and schedule. It was approved to donate \$50 towards this project.

The Cheer Squad requested the Booster Club consider the purchase of music editing software for their use. It was approved to purchase the software from Best Buy at a cost of approximately \$48.00.

The parent liaison positions were discussed. Carrie provided a listing of all activities of the Junior and Senior high. Volunteers were requested to fill currently vacant positions.

Meeting adjourned at 7:30 p.m.
