The student must be at practice. Excuses from practice are illness, doctor appointment, funeral (for excused practices the student-athlete must make up the conditioning missed). If a student-athlete needs to miss let me know as far in advance as possible. We will **try** to work with him if he must be somewhere. We can practice in the morning if there is a conflict and all the other team members agree. If the student-athlete misses practice and it is unexcused it will effect their playing time. Excessive unexcused absences from practice will result in dismissal from the team.

WORDS TO LIVE BY:

“The longer I live, the more I realize the impact of attitude of life. Attitude to me is more important than facts. It is more important than the past, education, money, circumstances, failures, success, what other people think, say or do. It is more important than appearance, gift, or skill. It will make or break a company-a church-a home. Then the remarkable thing is, we have a choice every day regarding the attitude we will embrace for the day. We cannot change our past, we cannot change the inevitable. The only thing we can do is play on the string we have, and that is our attitude. I am convinced that life is 10% what happens to me and 90% how to react to it. And so it is with you – we are in charge of our attitude.”

Charles Swindoll
