

Weekly Homework

Our permanent homework schedule is shown below. Please note, students may also have additional homework throughout the week but these listed below will not change. Students record their nightly homework in their agendas at the end of each day.

Reading Logs (RL) are due every Wednesday and Friday, 20 minutes of continual reading is required to complete the log along with a parent signature. If your child misplaced their log slip, they may record their reading information on a sheet of paper.

Accelerated Math Practices (AMP) are due Tuesday and Friday each week. Some students are strongly encouraged and on occasion required to scan more frequently in order to catch up on math objectives mastered. Students must score a minimum 70% on math practices twice a week.

Spelling Vocabulary: Bellinger, Gehrt, and Willi reading classes will have spelling vocabulary homework due Wednesday mornings.

All assignments are due at 8:15 each morning. If your child fails to turn in their assignment, they will earn a late mark and complete missing homework during their recess time.

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading: Reading Logs			RL Due		RL Due
Math:		AMP Due			AMP Due
Spelling: Bellinger, Gehrt, Willi			Vocabulary
